

GRAFFITI REMOVER: Metal Saver

Kärcher Graffiti Remover: Metal Saver is an easy to use biodegradable, liquid cleaning agent designed for use on pre-finished metal and powder-coated surfaces such as overhead doors, color bonded fencing, mail boxes, traffic signal boxes, painted metal and other types of metal surfaces. This strong, fast-acting product formulation safely penetrates and loosens the graffiti on metal surfaces and makes it easy to remove. No extended soak time is needed and Kärcher Metal Saver can be applied and re-applied to wet surfaces without waiting to dry, unlike other graffiti removal products.

DIRECTIONS FOR USE:

Read Material Safety Data Sheet thoroughly before using this product. Wet the target surface prior to applying this product. Apply Kärcher Graffiti Remover: Metal Saver undiluted directly onto area being treated using a sprayer, sponge or rag. Always test on a small area prior to product application. Allow 60 seconds for full activation and then lightly scrub with a rag or light scouring pad. Repeat process as necessary then rinse-off treated area with water. Repeat process as needed. May be inappropriate for use on plastic and rubber surfaces.

INGREDIENTS:

N-methyl-2-pyrrolidone, ethanol, surfactant, alkyl alcohol salt, d-limonene. Not regulated for transport. Biodegradable.

For emergency spills call:

Chemtrec, 800-424-9300
Outside US, 703-527-3887

- **Easy to Use:** Rinses easily with a pressure washer
- **Fast Acting:** Only 60 seconds activation time; minimal soaking
- **Compatible:** Can be applied or re-applied to wet surfaces

HMIS RATING

Health	2
Flammability	1
Reactivity	0

Degree of Hazard:

4 - Very high
3 - High
2 - Moderate
1 - Slight
0 - Least

TECHNICAL DATA

- **Color:** Clear to pale yellow
- **Odor:** Lemon-like
- **Solubility in Water:** Miscible
 - **pH (neat):** 5.5-7.0
 - **Reactivity in Water:** None
 - **Flash Point:** 203° F
 - **Freeze Thaw Stable:** Yes
 - **Shelf Life:** 1-Year in closed container
 - **Materials to Avoid:** Acids, bases, strong oxidizing agents
