KM 90/60 R BP 36" Electric Ride-On Sweeper
Comfortable sweeper for medium to large surface cleaning

A comfortable, compact ride-on sweeper ideal for medium to large surfaces.

The compact KM 90/60 R ride-on unit is the comfortable alternative to a walk-behind machine. It provides ease-of-use features such as an adjustable seat, large wheels, and power steering. Two sweeping containers have a joint capacity of 13 gallons for longer periods of uninterrupted operation. The washable polyester filter is automatically cleaned after every use. These features make the KM 90/60 R ideal for medium to large areas – even in confined spaces.

Automatic Filter Cleaning System:

Automatically cleans filter after every use

EASY™ (Ergonomic Application System)

Operation:

Simple controls for operating the unit with easy-to-understand graphics and two pedals

Easy Brush Control:

Pneumatic control of primary roller brush and side brush

No Tool Filter and Brush Changing:

The main roller brush can easily be replaced without the aid of tools and simply clicks in for fast, convenient and reliable use

Large Capacity Waste Container:

The two drawer-type sweeping containers have large joint capacity of 13 gallons and are easy to empty even when filled to capacity.

Adjustable Seat:

Seat adjusts for rider's optimum comfort
